**Etiquette Tips for Church Visits**

- Children are welcome - however - parents are expected to keep their children close to them and not allow them to run around inside the church.
- Please remember that places of worship are sanctified structures and visitors are requested to keep their voices lowered, to refrain from unnecessary conversation and if you are male remove hats.
- Do not enter the sanctuary (the area behind the iconostasis where the priests conduct the Mass) unless you are specifically invited to do so by a priest or parishioner.
- Although it is not expected, a small donation towards the upkeep of the church would be greatly appreciated, as maintenance of these sanctuaries is expensive.
