

### Provider Hours of Service

I, \_\_\_\_\_ am a day home provider contracted with Lamont County Regional Family Day Home Program and I run a day home out of my residence at \_\_\_\_\_.

I am available to provide care for the hours of \_\_\_\_\_ to \_\_\_\_\_, on the following days of the week, \_\_\_\_\_.

In addition, I will provide child care for a maximum of \_\_\_\_\_ children.

---

By signing the above I understand the following: Any care provided to registered children outside their stated regular hours is considered a private arrangement between the provider and the parent. A provider cannot offer care for a child longer than 18 hours in any 24 hour period without prior written notification to the agency and a provider offering care to a child for a period longer than 18 hours in any 24-hours must provide each child with sleeping time (in these cases, the provider must give each child his or her own bedding and sleeping accommodations that meet the child's developmental needs and male and female school-aged children sleep in separate rooms).
